## TO SUBSCRIBERS,

The proprietors of the Main desire to state that they have made arrangements with the publishers of the Northwest Farmer to club that journal and the Weekly Main for the low price of \$2.50 in advance per year. This is an offer which no doubt farmers will appreciate as it gives them the best against und paper in the country as well as the best weathy in Western Manitobs, at a subscription very little in advance of that of one of them.

City Council meets to night.

Why does Brandon not have a snowshoe pos

be procured.

It is not unusual to meet at the dead 1 our of the night parties who have been cut enjoying a saim over the prairie on snow shoes.

The day for the winter races has not yet been decided upon, as nothing definite has been heard from Winnipeg and places east, as to the date of their meetings.

The Council at the meeting to night should see to it that they pass the by-law at present on the tepis at once, and put a step to such doings.

Everything went well until Saturday night about 11 p.m. It appears that during the evening the woman imbated too freely of whitekey and that her husband attempted to remenstrance with her and backed up his argument, with kicks, criffs and blows. The wenum raised her voice and very and howered and runded into the rooms occupied by neighbors. P. C. McPareson heard sounds of revelry by night and at once a corded to accretian the curse. On arriving on the scene he found that the too demonstrative beneditch had made himself and the composition of the composition
